**On May 25th at 3pm, it will be time to give away a FREE CAR!!
Italy High School Students with Perfect Attendance can Strive To Drive!
One lucky student will win a FREE CAR!**

One deserving Student from Italy High School will win a FREE Car this year courtesy of Waxahachie Autoplex (Dodge, Chrysler, Jeep, Ford & Nissan). Students from Italy High School will strive all year long to earn tickets for perfect attendance so that they may have the opportunity to win a FREE CAR! On May 25, 2018 at 3pm, ten finalists will be drawn. Each will receive a key. Only one key will start the car!

Waxahachie Autoplex and Owner Wesley Spence, have teamed up with Strive to Drive TX in an all-out effort to educate students in Italy ISD and their parents on the importance of being in class, as attendance has a direct affect on academic performance. Research conducted at the Bureau of Educational Research in Illinois, shows that consistent school attendance is directly linked to positive behavior, increased participation in extracurricular activities, higher grades and higher overall educational outcomes.

How does the Strive to Drive TX Program work?

Students must be enrolled the entire 6 week grading period to participate

1 ticket per 6 week grading period for Perfect Attendance

5 extra tickets per semester for Perfect Attendance (Fall & Spring)

10 extra tickets for no days missed all year

We would like to invite all parents and the community to cheer these deserving students on!
